

# Leadership Surry County

Heritage, Pride and Leadership

Leadership Surry County focuses on community analysis and enhancement of one's leadership skills. Each session will focus on an area related to Surry County, as well as a leadership activity.

## Objectives:

- To identify and select individuals from various segments of Surry County with promising leadership abilities.
- To offer a quality enrichment program for potential leaders of Surry County.
- To present information on different facets of Surry County, including local history, government, education, healthcare and the economy.
- To develop a greater sense of awareness about the county and a willingness to be an active participant.
- To foster a network between participants to be a foundation for leadership in Surry County.
